Whoah-Whoah-Whoah-Whoah (x4)

You know it's always on my mind  
The best is always hard to find  
OWhoahOhOohOohOhOohOhOohOh

You know it's always on my mind  
I only like my favorite kind  
OWhoahOhOohOohOhOohOhOohOh

I just want to forget  
Where my afternoon went  
But I have to remember today  
All I want and all I need  
Is just another pound of weed  
So I can go inside and play

You know it's always on my mind  
If I stop I will go blind  
OWhoahOhOohOohOhOohOhOohOh

You know it's always on my mind  
It gets me through the daily grind  
OWhoahOhOohOohOhOohOhOohOh

I just want to forget  
Where my afternoon went  
But I have to remember today  
All I want and all I need  
Is just another pound of weed  
So I can go inside and play

Whoah-Whoah-Whoah-Whoah (x4)

You know it's always on my mind  
Can't you see it in my eyes  
OWhoahOhOohOohOhOohOhOohOh

You know it's always on my mind  
I'm running low on my supplies  
OWhoahOhOohOohOhOohOhOohOh

I just want to forget  
Where my afternoon went  
But I have to remember today  
All I want and all I need  
Is just another pound of weed  
So I can go inside and play
