

# Brad Paisley, All You Need Is Love

So you say you wanna tie the knot  
And you're askin me if I think the two of you have got  
What it takes to make it work, Well one thing's for sure  
All you really need is love  
Let me say I'm happy for you both  
And here's a little somethin that the two of you should know  
If you wanna do it right, well take my advice  
All you really need is love  
...And a license  
And a blood test  
And a bunch of invitations  
And a minister, a white dress  
And of course a congregation  
And flowers and music  
And candels and cake  
And a bunch of rice for folks to throw as you drive away  
Well what's that expression on your face  
You're looking kinda pale is everything ok  
Dont worry you'll be fine if you'll just keep in mind  
All you really need is love  
Oooh..and bridesmaids and groomsmen  
And a wedding cordinator  
And food for the reception, you'll need someone to cater  
Did I forget to mention it will take a couple rings?  
And of course a P.A. system if you're wantin me to sing  
Well, You look so happy you could cry  
And that explains the tears drops i see wellin in your eyes  
Dont worry you'll be fine if you just keep in mind  
All you really need is love  
Yeaah..I'm sure I'm telling you  
Something you already knew  
All you really need is love
