

# Brad Paisley, Hard To Say Hello

In the weeks that follow a breakup  
The last thing you want to do  
Is be out buyin' groceries  
And see you-know-who  
I left a half-filled shopping cart  
Sittin' on isle three  
Made a beeline for my car  
Prayin' that she didn't see me  
And

Chorus  
It ended well  
We said we'd still be friends  
So somebody tell me why  
It's so hard  
To say hello  
To the one who said goodbye

Months pass and you move on  
You hardly think about it  
I don't remember where I was  
I just remember it was crowded  
I ducked behind a friend of mine  
The minute she walked in  
And it'd be one thing if we  
Swore we'd never talk again  
But

Repeat Chorus

You spend years with a person  
You know all their secrets  
You've said "I love you" a million times  
I used to light up  
The moment I'd see her  
Now I look for a place to hide

Now I've found the woman  
That I'm meant to be with  
The moment I saw her I just knew  
So isn't it crazy  
I still get flustered  
Whenever I run into you-know-who

It's so hard  
To say hello  
Can somebody tell me why  
It's so hard  
To say hello  
To the one that said goodbye
