

Brainpool, Orange Peel

ANNA: I wanted life to be like in the magazines
A pretty girl with the thinnest waist you've ever seen
On a diet of water and Orange Peel
Stick your fingers in your mouth and tell me how you feel
There is no way I can forget
The thoughts you planted in my head

There must be more to life than this
There must be something I have missed
There must be more to life than this...

My life was built round talk shows and docu-soaps
"Ye who enter here - Abandon all your hope!"
On a diet of nut shells and Cherry Coke
Stick your fingers in your mouth and tell me when you choke!
There is no way I can forgive
I am surprised that I still live
