

# Brainpool, Skyscraper

ERNIE: I aim to reach the sky  
To scale the highest high  
And really scrape the sky  
I wanna be supreme  
Go down in history  
I wanna be supreme

Over the rooftops and over the sea  
That's where you'll find me - that's where I'll be  
My portrait in neon - my name carved in stone  
The company logo all over the moon

Wo wo wo wo wow  
Wo wo wo wo wow  
Wo wo wo wo wow  
Now they're gonna make a film  
Based upon the book  
I wrote about myself
