

BrainStorm, A Day Before Tomorrow

BRAINSTORM - a day before tomorrow

me, i m singing
me, i m riding
to the place where dreams are hiding
kids are kidding, mothers forbidding
songs under my wing
angels lighting
demons fighting
gold and silver blinding, blinding
stop or go
say yes or no
its a day before tomorrow

the world is small and we are one
we all are fathers of our sons
it s not regretting what we ve done
on a day before tomorrow

me, i m telling
me i m yelling
all the dreams i bought while sailing
peace and protection,
green grass without elections,
souls
there s no perfection
angels lighting
demons fighting
gold and silver blinding, blinding
stop or go
say yes or no
its a day before tomorrow

someone will always care for you
and there are lies and there is true
and so, what else is there to do
on a day before tomorrow

the world is small and we are one
we all are fathers of our sons
it s not regretting what we ve done
on a day before tomorrow

on a day before tomorrow
