

# BrainStorm, These Women Drive Me Crazy All The Time

Got a cheesy poem in my head  
Tom Jones is my favourite singer  
Dreamy thoughts are calling me  
Again I am in love and she's not here

Do you think that I'm a bad boy?  
That I'm a little horny elf?  
But what about admitting baby  
that I'm not lying, lying to myself

Cheesy poem in my head again  
Tom Jones is my favourite singer  
Dreamy thoughts are flaunting me  
Again I am in love and she's not here

Do you think that I'm a bad boy?  
That I'm a little horny elf?  
But what about admitting baby  
that I'm not lying, lying to myself  
I know that you adore my sweet lies  
I know that you'll buy everything  
But how about confessing baby  
I don't think, I don't think that it is a sin

These women drive me crazy all the time  
Tom Jones is my favourite singer  
Dreamy thoughts are haunting me  
Again I am in love and she's not here

Do you think that I'm a bad boy?  
That I'm a little horny elf?  
But what about admitting baby  
that I'm not lying, lying to myself  
I know that you adore my sweet lies  
I know that you'll buy everything  
But how about confessing baby  
I don't think, I don't think that it is a sin
