

Brand New, Luca (Reprise)

Well I lost my taste for the company of airports and cars
We flew through the year and
avoided the dust and rock.
We stood in the way of the tank till we bored and we stopped
So never show doubt in your hand
till you know what they got.

Touch me or don't
Just let me know,
where you been?

Well drop me a line with a hook and some raw bleeding bait
(one, two, three, four)
Well I am uncaught and still swimming alone in the lake
(five, six, seven, eight)
Shimmering under the moon made in anger and haste
I was the one who was always repeating it
Shimmering like a penny out of reach in the subway grating
(Shimmering like a coin kept safe away,
you'll never listen to anything)

Touch me or don't
Just let me know,
where you've been
Leave it alone, I'm sure there's someone who knows
Where you been?
