

Brand New Sin, Time's Tomorrow

Woah look at me now
i'm the man whose gotta sit there,
so step off and get back
cause im on the right track
i am in control
and im aint no fool now
i am taking it to my own redemption
times tomorrow
wont change for times of sorrow
times tomorrow
taking time , keeping me on hold.
woah cant you see
your the one looking back at me
so go down and make the call
cause know i;ve seen it all
i am in control and i aint no fool now
i am taking it to my own redemption.
times tomorrow
wont change for times of sorrow
times tomorrow
taking time , keeping me on hold.
keeping me on a hold
on a hold
keeping me
keeping me
keeping me
keeping me on a hold(x2)
i am in control and i aint no fool now
i am taking it to my own redemption.
times tomorrow
wont change for times of sorrow
times tomorrow
taking time , keeping me on hold.
times tomorrow,
wont take for times of sorrow
times tomorrow,
keeping time, keeping me on a hold.
