

# Brandon Hines, Look Me In My Face

[verse 1:]

How could you be blind when everybody around you sees the happiness you found was when you

[chorus:]

When you know (you know) that I've been right there by your side Baby I showed (I showed) you e

[verse 2:]

Try to think about it about it let's take it back to day one (one) You was trying to get ya shit together

[chorus:]

When you know (you know) that I've been right there by your side Baby I showed (I showed) you e

[verse 3:]

And tell me that you don't need me You can't be having no doubts while you looking around Talk to

[chorus:]

When you know (you know) that I've been right there by your side Baby I showed (I showed) you e
