

# Brandon Hines, Rollin

[Verse 1:]

I was hooked after the first look at yo  
Hypnotized by your eyes girl you're so beautiful  
It just feels so good when I make love to you  
They say your love is poison they call me a fool  
I'm with you even though I know you hurt me  
Cause when my body be cold you're there to comfort me  
I get such a rush girl when you're lovin me  
My body don't ever want you to leave  
But my friends say

[Chorus:]

Oh No, Oh No, Oh No, Oh No (No)  
Don't Go, Don't Go, Don't Go, Don't Go  
You know she's nothing but trouble you should give it up  
But I feel the best when she give me love  
I'm going down

Oh No, Oh No, Oh No, Oh No (No)  
Don't Go, Don't Go, Don't Go, Don't Go  
They say she's killin me softly I should stay away  
I know it's going down when she hear me say  
I wanna fly can you lift me up fill me out  
I'm not that high keep pushin me up

Turn me out  
Just keep goin goin goin goin  
Keep rollin rollin rollin rollin  
I don't know who I am just figure me out  
Fix me up

The world is so cold I nee to be out  
Sex me up

Just keep goin goin goin goin  
Keep rollin rollin rollin rollin

[Verse 2:]

Can I tell You again you are the perfect drug  
You always give me good lovin when I need a hug  
Though you've ripped many hearts up lookin in your past  
It's the fien in me that wants to make it last  
Can't get enough of your love I want it all the time  
Lock me up in your room from the dark til light  
My heart is beating to fast I'm seeing flashing light  
Is it all in my mind or do you got me high  
And they tell me

[Chorus:]

Oh No, Oh No, Oh No, Oh No (No)  
Don't Go, Don't Go, Don't Go, Don't Go  
You know she's nothing but trouble you should give it up  
But I feel the best when she give me love  
I'm going down

Oh No, Oh No, Oh No, Oh No (No)  
Don't Go, Don't Go, Don't Go, Don't Go  
They say she's killin me softly I should stay away
