

Brandon Hines, This Ain't Me

Ooooooooooh ooooooooooooooooooooooh whoaaaaa

Yea yea

I feel it babe

In the middle of the night you gat me bugging tossing turning

Huh, I'm going crazy

Cause I can't get you off my brain

You speed up my heart beat I wonder why I can't sleep

Do you think about me like I think about you?

I wanna see what you girl should be looking like a star like you should be

With a nigga like me cause girl I feel like we are one in the same

I'm not like them other guys you'd be in love if you were mine

You got me going insane this can't be me

I'm so messed up

I've become in love

I don't know what to do

I'm so confused

I can't believe that this is me

Every time I feel like I need you here

I can't even sleep can't even eat

I can't believe that this is me

I need to know jus what to do to make you mine

Get inside your mind

I know it's only a matter of time

I'm a take you out with me make you see all the right things

I'm a make you notice me you gone be in love with me

I catch myself daydreaming drifting off I'm kissing you

You're in my arms we make love till I open my eyes

You gat me going insane this can't be me

I'm so messed up

I've become in love

I don't know what to do

I'm so confused

I can't believe that this is me

Every time I feel like I need you here

I can't even sleep can't even eat

I can't believe that this is me

Daydreaming just ain't enough anymore

Noooooooooooooooooooo

You gat full control of me

Now I'm so...

I'm so messed up

I've become in love

I don't know what to do

I can't believe that this is me

I'm so messed up

I've become in love

I don't know what to do
