

# Brandy, Best Friend

Whenever I'm down, I call on you my friend  
A helping hand you lend, in my time of need so I  
I'm calling you now, just to make it through  
What else can I do, don't you hear my please  
Friends may come and friends may go

But you should know that  
I've got your back, it's automatic  
So never hesitate to call  
Cuz I'm your sister and always for ya and I

[CHORUS:]

I don't know what I'd ever do without you  
From the beginning to the end  
You've always been here right beside me  
So I'll call you my best friend  
Through the good times and the bad ones  
Whether I lose or If I win  
I know one thing that never changes and  
That's you as my best friend

Whenever I'm down  
With all that's going on, It's really going on  
Just one of those days  
You say the right thing, to keep me moving  
To keep me going strong, what else can I say

Friends are there through thick and thin  
Well I've been told that  
And I believe that it's automatic  
Call me when you need a friend  
Cuz I'm your sister and always for ya and I don't know

[REPEAT CHORUS x2]

I'll be there for you  
When you're going through,  
wouldn't you be my friend  
Friend you can count on me  
Call me when you need me

[REPEAT CHORUS x2]
