

# Brandy, Finally

Yo..Yo  
This Is A Champion Song  
Feel Me  
Me And Brandy  
We Have Rised To The Occasion  
Come On Like This Talk To Them..Oh

[Verse 1]  
I Coulda Stayed In That Place Too Long (Ah)  
I Woulda Made It Ok, For You To Me Wrong  
I Woulda Played The Role One More Day (Day)  
If I Didn't Hear My Conscience Say (Talk To Em)  
Stop Look Around  
Is This Where You Belong  
Look At Yourself  
Are You Weak? Are You Strong?  
I Realize That It's All Up To Me  
I Made Myself Happy (Come On)

[Chorus]  
Finally I Walked Away  
Never Woulda Seen This Day  
Giving up on Those Things That Hurt Me  
Made Me Who I Am Today  
[Repeat]

[Verse 2]  
Lookin Back On My Choices Made  
I'm Thinking About The Things I Did To Make You Stay  
I Wonder Sometimes Why My Love Didn't Turn To Hate  
But Then I Hear The Little Voice Inside Me Say  
Stop Look Around  
Is This Where You Belong  
Look At Yourself  
Are You Weak? Are You Strong?  
I Realize That It's All Up To Me  
I Made Myself Happy (Come On)

[Chorus]  
Finally I'm Where I'm Suppose To Be  
Finally I'm Where I'm Suppose To Be

[Chorus]  
Ya Ya Ya Ya Ya  
Ya Ya Ya Ya Ya

Finally I'm Where I'm Suppose To Be  
Finally I'm Where I'm Suppose To Be  
Finally I'm Where I'm Suppose To Be  
Finally I'm Where I'm Suppose To Be  
Finally I'm Where I'm Suppose To Be  
Finally I'm Where I'm Suppose To Be
