

Brandy, Sweet Nothings

Talk To Me [x8]

[Verse 1:]

No One Can Take Your Place (No Way)
No One Else Can Come Close.
If You Ask Me Yes I Do
And Say You're The Only One For Me.
You Pick Me Up When I Fall Down (Oh Yeah)
Everything I Do For You (HaHaHaHa).
Even Tough I Know You'll Tell Me Life
And Every Time You Speak To Me I Hear:

[Chorus: x2]

Sweet Nothings In My Ear
They're So Clear
Just Say It, Say It, Say It Again

[Verse 2:]

No One Can Take Your Place (No Way)
My Heart Belongs To You.
And If You Ask Me For My Hand And I Say I Do
'Cause You're The Only one For Me (For Me).
You Pick Me Up When I Fall Down (Ooo Yeah)
And Everyting I Do For You Is For You Babe.
And Even Though I Know You'll Tell Me Life
And Everytime You Talk To Me I Hear:

[Chorus x2]

[Verse 3: x2]

When You Don't Talk To Me
And You Don't Say Nothing
It So Good To Be Waiting Here.

When You Don't Talk To Me... Yeah (Ooo Yeah)
[x2] Just Say It, Say It, Say It Again

[Chorus x2]
