

Bratt Pack, Senorita

I'll show you what I got
Tricks ain't on top of my list
Don't try no outtie exit
Can it code 6 on my wrist

I'll tell you what I need
I need for you to look me on
I need some lovin' to go on
And make me smile again

Bridge:
If you like it like this
If you like it like that
Show me a sign
'Cause I can't read your mind

And if you feel me
Then let me know

Chorus:
Ooh let me know, let me know Senorita
Should I stay, should I go, should I leave ya?
When I feel ya, Senorita
You'll know exactly what I mean
Let me know, let me know Senorita
Should I stay, should I go, should I leave ya?
When I feel ya, Senorita
You'll know exactly what I mean

I'll tell you what you need
Sippin' margaritas in the sand
Relaxing is the main plan
So just give into me

No chance unless you see
What could be lost in a glance
No mambo dancing at the inn

Senorita, Mama sita
(Senorita, Mama sita)

Bridge//Chorus

Rap:
All the fellas just make some noise
And all the ladies just shake your toys
And if you feel it through your stereo
Now make some noise and let the rhythm go
And all the papi's just make some noise
Senoritas just shake your toys
And if you feel it through your stereo
Then make some noise and let the rhythm go

Senorita, Mama sita
(Senorita, Mama sita)

Chorus till fade
