Brave Combo, New York, New York

Start spreading the news I'm leaving today I want to be a part of it, new york, new york These vagabond shoes Are longing to stray And make a brand new start of it New york, new york I want to wake up in the city that never sleeps To find I'm king of the hill, top of the heap These little town blues Are melting away I'll brand a brand new start of it In old new york

If I can make it there I'll make it anywhere It's up to you, new york, new york.
