

Bread And Juice, Show Me The Way

Show me the way to love You Lord.
Show me the way to sing Your praises.
Show me the way by Your Holy Spirit.
Show me the way so I may love You more.
Oh God, Your Book tells me how
and yet I still fail.
Your Son is the answer
but I keep Him waiting.
You are the Light while I live in darkness.
So I ask You now to show me the way.
