

Bread, Let Your Love Go

It don't matter to me
If you really feel that
You need sometime to be free
Time to go out searching for yourself
Hoping to find time to go to find
And it don't matter to me
If you take up with someone
Who's better than me
'Cause your happiness is all I want
For you to find peace your piece of mind
Lotta people have an eager hang up
'Cause they want to be the only one
How many came before it really doesn't matter
Just as long as you're the last
Everybody's moving on and try to find out
What's been missing in the past
And it don't matter to me
If your searching brings you back together with me
'Cause there'll always be an empty room waiting for you
An open heart waiting for you
Time is on my side
'Cause it don't matter to me
It don't matter to me...
