

Breaking Benjamin, Topless

Fruit on the vine
You've got yours
And I've got mine
Meat on your bones
They wont know
They wont know

I love your face
Just get away
I'm on my knees
Fuck you
Fuck me

I'm on my way
To feel you
Dislocate
Save in your space
I'm open
Wide open

I love your face
Just get away
I'm on my knees
Fuck you
Fuck me

I love your face
Just get away
I'm on my knees
Fuck you
Fuck me
Me
Me
Me
