Breaking Point, Don't Let Go

I see the future not the past
I won't let go, I'll make this last
I won't give up, I'll find a way
The same old faces haunting me
But I won't let them control me
I'm good enough and I'm strong enough

So don't let go
Just hold on tightly
I won't give up until I find a way
I'm at the end of the road
There's no turning back now
I've come too far
I'm only miles away
Miles away
I'm only miles away

I'm looking deep inside myself
Searching for the one way out
'Cause I won't let this slip away
So every night I hope and pray
Knowing that I'll find a way
I won't give up, no I won't give up

So don't let go
Just hold on tightly
I won't give up until I find a way
I'm at the end of the road
There's no turning back now
I've come too far
I'm only miles away

I'm only miles away

So just look into my eyes
And try to read my mind
Explore all the treasures locked in me
So just look into my eyes
Then you'd realize
That you're the one who's haunting me
One who's haunting me

Don't let go
Just hold on tightly
I won't give up until I find a way
I'm at the end of the road
There's no turning back now
I've come too far
I'm only miles away
I'm at the end of the road
And I won't let go
I've come too far
I'm only miles away
I'm only miles away
I'm only miles away
I've come too far
I'm only miles away
