Breaking Point, Goodbye To You

There's so much I want to say now
But it's too late i know
There's no way to heal these wounds now
And my heart bleeds for you

And our love is crashing
Like a tidal wave
Coming over me

[CHORUS:]
So I wanted you to know
That i finally let you go
After all i've held on to
This is my goodbye to you
I was always there for you
But you never saw the truth
And the reason that i know
Is i've finally let you go

Yesterday you were my best friend
But tomorrow took you away
There's not much for me to say now
Just goodbye, farewell

And our love is crashing
Like a tidal wave
Coming over me

[CHORUS]

And every time i close my eyes
My heart is bleeding deep inside
But now my eyes are open
And i'm never gonna be the one for you
The one for you

[CHORUS]

I finally let you go
Let you go
Let you go so this is my goodbye to you.
