(M.Tillis / R.Kearney)

Emotion

What are you doing

Oh' don't you know

Don't you know you'll be my ruin

You've got me crying, crying again

When will you let this heartache end

Emotion

You get me upset

Why make me remember

What I want to forget

I've been lonely, lonely too long

Emotions, please leave me alone

You worry my days, yes you torture my nights

Never a dream, those old dreams

Never turn out right

Emotion

Ah, give me a break

Let me forget that I made a mistake

Oh, can't you see what you're doing to me

Emotions, please set me free

You worry my days, yes you torture my nights

Never a dream, those dreams

Never turn out right

Emotion

Ah, give me a break

Oh let me forget that I made a mistake

Oh can't you see what you're doing to me

Emotions, please set me free
