

Brenda Lee, Everybody's Had The Blues

Everybody's sings the blues sometimes and everybody knows the tune
And everybody knows the way I'm feelin' cause everybody's had the blues

A lonely song someone is gone a story old as time
Love hate all want and wait till misery fills your mind
Everybody knows the way I'm feeling cause everybody's had the blues

A lonely song someone is gone a story old as time
Love hate all want and wait till misery fills your mind
Everybody knows the way I'm feeling cause everybody's had the blues
