

# Brenda Lee, Hallelujah, I Love Him So

Let me tell you bout a guy I know,  
He's my baby and he lives next door  
Every morning when the sun comes up,  
He brings me coffee in my favourite cup  
That's why I know, yeah I know  
Hallelujah, I just love him so

When I'm in trouble and I have no friends,  
I know he'll be with me until the end  
Everybody asks me how I know,  
I smile at them and say he told me so  
That's why I know, yes I know,  
Hallelujah, I just love him so

When I call him on the telephone  
And tell him that I'm all alone  
By the time I count from 1 to 4,  
I hear (knock, knock, knock) on my door

Every evening when the sun goes down  
And there is nobody else around  
He looks at me and he holds me tight,  
And tells me baby, everything's alright  
That's why I know, yeah I know,  
Hallelujah, I just love him so

When I call him on the telephone,  
And tell him that I'm all alone  
By the time, I count from 1 to 4,  
I hear him (knock, knock, knock) on my door

Every evening when the sun goes down,  
And there ain't nobody else around  
He looks at me and he holds me tight,  
And he tells me everything is swinging  
And I know, yeah I know,  
Hallelujah, I just love him so  
Hallelujah, I just love him so,  
I love him so!  
I love him so!
