## Brenda Lee, I Wanna Be Around

I wanna be around, to pick up the pieces When somebody breaks your heart Some, somebody twice as smart as I

A somebody who, will swear to be true As you use to do with me Who'll leave you to learn that misery loves company Wait and see

I wanna be around to see how she does it When she breaks your heart to bits Let's see how the puzzle fits so fine

And that's when I'll discover that revenge is sweet As I sit there applauding from a front row seat

When somebody breaks you heart Like you, like you broke mine
