

# Brenda Lee, La Vie En Rose

Hold me close and hold me fast  
The magic spell you cast this is la vie en rose

When you kiss me heaven sighs,  
And thou' I close my eyes I see la vie en rose

And when you press me to your heart  
I'm in a world apart, a world where roses bloom

And when you speak angels sing from above  
Ev'ry day words seem to turn into love songs

Give your heart and soul to me  
And life will always be la vie en rose

When you kiss me heaven sighs,  
And thou' I close my eyes I see la vie en rose

When you press me to your heart  
I'm in a world apart, a world where roses bloom

And when you speak angels sing from above  
Ev'ry day words seem to turn into love songs

Give your heart and soul to me  
And life will always be la vie en rose
