

# Brenda Lee, Rock On Baby

Rock on baby rock on you're not draggin' no ball and chain  
I ain't playin' no waitin' game with a rollin stone like you now  
Rock on baby rock on I'm not gonna beg ya to stay  
Momma didn't raise me that way do what ya wanna do  
If a little rain should ever fall on your shoulder  
While you're travellin' somewhere boy to someplace without me  
And if your rainbow's fade and ya start to think it over  
Remember you're the only one who wanted to be free

I said Rock on baby rock on I'm not gonna beg ya to stay  
Momma didn't raise me that way so rock on babe  
Rock on baby rock on be the eagle ya wanna be  
Don't worry bout a love like me do what ya wanna to do
