## Brenda Lee, What Now My Love

What now my love Now that you left me How can I live through another day Watching my dreams turning to ashes And my hopes into bits of clay Once I could see, once I could feel Now I am numb I've become unreal I walk the night without a goal Stripped of my heart, my soul

What now my love Now that it's over I feel the world closing in on me Here comes the stars There tumbling around me There's the sky where the sea should be What now my love Now that you're gone I'd be a fool to go on and on No one would care, no one would cry If I should live or die What now my love Now there is nothing Only my last goodbye
