

Brenda Russell, We Will Find A Way

Sun follows rain
Strength follows pain
Ohhh, We will find a way

there is a plan
peace follows understanding
Ohhh, We will find a way

and in the long run
all things happen for a reason
though it hard sometimes beleiving what that means
theres a long road, we will sail among these waters
and as heaven wonders too be seen

here in your smile
my heart can rest awhile
and i know we will find a way

faith is the key
that brought u here to mean
Ohhh, We will find a way

and in the long run
all things happen for a reason
though it hard sometimes beleiving what that means
theres a long road, we will sail above these waters
and as heaven wonders too be seen (ohhh yeah)

Ohhh.....

Sun follows rain
time heals the pain
Ohh We will hear you right

and in the long run
all things happen for a reason
though it hard sometimes beleiving what that means

faith is the key
that brought u here to me
ohhh we will find
ohhh we will find
ohhh we will find
A way

though the darkness goes on forever
we can find a care all together
we will sail upon these waters
and set our eyes on heaven
all things happen for a reason
that much for us to believe in
and as long as i'm still breathing
ohhh we will find (we will find a way)
(repeat)
ohhh we will find
a way... (yeah yeah)
