

Brettell, Obvious

Here you are with another man
And im starting to loose my turn
Here she is, with that trashy man
And im ready to take him on'

Its you ". Being me then
Checking her out
Make it seem OBVIOUS

Here is goes on a weekend day
Drinking loads and jus playing pool
On the dance floor I see them sway
Feel the rhythm, I'll go insane
With that, tonight'

So be ". Bringing me down
Turning around
It seems so OBVIOUS

Now shes' " Being herself
Hoping your wrong
Everything's OBVIOUS

Why me " is it to be
Everything s fine
That is so OBVIOUS□

This is just so obvious
Is just so obvious
