

# Brettell, Run-Eye

Run-Eye

Run run run, you got nowhere to hide  
You don't know why , this is a heart of mine  
Come on down, even though your nine  
Don't be hard, on your self or her  
Try and lie, your way out of here  
Bye bye bye, your now out of time

Try try try, to come back round here  
Run run run, you got nowhere to hide
