

# Brian Jonestown Massacre, Be Song

You tried to break my heart in two,  
But thats okay, thats what you do,  
You take the best i gave to you,  
You take so long, what's going on here?

I hate to wait, I wait for you.  
You take so long, have I been wrong here?  
It's not the things you say or do,  
But still I'm wrong. Do I belong and  
It's the strange way, you're cruel  
You don't belong, am I wrong here?

(Oh yeah)
