

# Brian Jonestown Massacre, Cause I Love Her

She said  
I love you  
And I know it can't be wrong  
'Cause I've waited for so long  
I've waited for you

He said  
Ah  
Girl, you best run for your life  
Because I'll never take a wife  
I live alone with all my strife  
I'm unrepentant

But I said  
I love her  
All the tears that she has cried  
Many years after they've dried  
I will be there by her side  
Because I love her  
Yes I do  
You
