

Brian Jonestown Massacre, Let's Pretend It's Summer

Let's pretend that it's summer
And a bright sunny day
And we're feeling so happy
'Cause the clouds went away
As we run by the sea side
Heading down to the bay
Looking over the water
I can hear myself say

Let's laugh
Have fun
We'll smile
And run
We'll live
For awhile
Feeling free
With a smile

Now you're feeling so happy
'Cause the breeze went away
And it's lasting forever
So we're happy to play

We'll laugh
We'll run
Feeling free
Being fun
With a smile
For a while
Feeling free
Like a child

I feel nothing but good vibes
And it's lasting all day
Going now because I'm so high
And that's how I'll stay

We'll laugh
We'll run
Feeling free
Like the sun
Well I fly
Through the air
Feeling free
Like my hair
