

# Brian Jonestown Massacre, Slowdown (Fuck Tom

I know  
If I kissed you  
Tomorrow  
Surely miss you  
I don't ?

Can't say  
That I want you  
Inside you soul  
That wants you  
You've got my love  
To feel

?  
To a place ?  
?  
It's okay 'cause we're getting ?  
Just like love  
?  
Everyone is so happy

I'll show you  
How I love you  
Below you  
And above you  
I believe ?

Slow down  
Fuck tomorrow  
? sorrow  
I've got ?  
In here

?  
To a place that's ?  
? to say  
It's okay, cause we're getting ?  
Just like love  
There's a look in your eye  
It's a pleasure ?  
Just like you  
Everyone is so happy, yeah  
Yeah
