

Brian Jonestown Massacre, Yeah-Yeah

I never worry
I leave it to fates
I'm not in a hurry
Already late

The voices of angels
Sing in my head
They tell me to worry
I'm already dead

I say yeah, yeah
Yeah, yeah, yeah
I'm saying Hell, yeah
Yeah, yeah, yeah

The voices of (?)
Run in my head
It feels so scary
It's giving me dead
(?) so scary
(?)

I'm saying yeah, yeah
Yeah, yeah, yeah
I'm saying Hell, yeah
Yeah, yeah, yeah
