

# Brian May, China Belle

(Brian May)

There's a little lady livin' down in old Beijing  
She got everythin' you need well you know what I mean  
No it ain't what you're thinkin' she ain't love for sale  
She'll get you jumpin' just for fun but there's a sting in her tale  
She's a lover she's a fighter she's a red hot bit  
You take her as you find her but you never can quit  
She's a pretty little lady called China Belle  
She's a Little Bit o' Heaven and a Whole Lotta Hell

She gotta bad reputation but you won't say no  
You gonna need her sweet loving when yo go go go  
She gotta diamond on her finger you can see it glisten  
She got plenty conversation (don't talk just listen)  
She could be flat bed fakin' but you never can tell  
Got the body of an angel but you know darn well  
She's a pretty little lady called China Belle  
She's a Little Bit o' Heaven and a Whole Lotta Hell

I was standin' at the station on the Neck of Siam  
I met a Guy from Abu Dhabi said you know who I am  
They call me Hard Nosed Harry who could never get hooked  
But I fell in love with trouble after just one look  
She'll give you dirty loving honey make you feel real swell  
But if you say you wanna stay she ain't that kinda gel  
I said you're talkin' 'bout a lady that I know darn well  
She's a Little Bit 'o Heaven and a - Whole Lotta Hell -

She'll take you Nee-How walkin' to a Chinese Ball  
You'll be singin' and a-dancin' underneath the Great Wall  
But just when you're strollin' in the rain through Tiananmen Square  
You turn around and look for China and she ain't nowhere  
She's a dangerous habit she's a red hot hit  
You could get a better rabbit but you just can't quit  
She's a pretty little little lady  
She's a pretty little little lady  
She's a pretty little little lady called China Belle  
She's a Little Bit o' Heaven and a -  
Whole Lotta Hell
