

Brian May, Let Your Heart Rule Your Hand

Yeah Nice and gentle

Oh I been sleeping I been hiding Beat my head against the wall I been crying just from staring At the

Let me out Let me out of here We can fly away tonight no-one will know We can fly away tonight no-

Really talking soon be laughing It's a brand new world out there If I'm dreaming it don't matter I can f

Let me out - let me out Let me out of here We can fly away tonight no-one will know We can fly away

All our souls on fire

Well I've been waking news is breaking There's a world outside my door We can take it we can mak

Let me out - yeah Let me out of here We can fly away tonight no-one will know We can fly away toni

Help me Edward

Don't be grieving don't be pouting Give yourself a holiday Say you're leaving Sunday driving Pack yo

Let me out - shout it out Let me out of here We can fly away tonight no-one will know We can fly awa

Let me out baby
