

# Brian McKnight, 6 Months, 8 Days, 12 Hours

Do you ever think about me?  
Do you ever cry yourself to sleep?  
In the middle of the night when you awake  
Are you calling out for me?  
Do you ever really miss?  
I can't believe I'm acting like this  
I was crazy  
How I still can feel your kiss  
It's been six months, eight days, twelve hours  
Since you went away, yeah, yeah  
I miss you so much and I don't know what to say  
I should be over you  
I should know better but it's just not the case  
It's been six months, eight days, twelve hours  
Since you went away  
Do you ever ask about me?  
Do your friends still tell you what to do?  
Every time the phone rings  
Do you wish it was me calling you?  
Do you still feel the same?  
Or has time put out the flame?  
I miss you  
Is everything okay?

It's been six months, eight days, twelve hours  
Since you went away, yeah, yeah  
I miss you so much and I don't know what to say  
I should be over you  
I should know better but it's just not the case  
It's been six months, eight days, twelve hours  
Since you went away  
It's hard enough just passing the time  
When I can't seem to get you off my mind  
And where is the good hand goodbye  
Tell me why, tell me why  
It's been six months, eight days, twelve hours  
Since you went away, yeah, yeah  
I miss you so much and I don't know what to say  
I should be over you  
I should know better but it's just not the case  
It's been six months, eight days, twelve hours  
Since you went away  
Sing it for me  
Ooh
