

# Brian McKnight, Always Be My Baby

[intro]

hey mmhmm mmm

[verse 1]

how do you know whens the right time to throw in the towel  
what do u say when its all said and done  
where do u go to sort out your feelings  
when nothing is like it was

[pre-chorus]

Theres no easy way to break sombodys heart  
i couldnt keep this thing from fallin apart

[chorus]

but it doesnt mean that i dont love you no more  
and it doesnt mean that i wont miss you  
even though we're apart  
save a place in your heart for me  
you'll always be my baby

yeah yeah yeah yeaaaa yeah yeah mmm

[verse 2]

how do i look into your eyes and tell u its over  
what do i do if u break down and start to cry  
do i sell out and say the old cliché  
that its not you that its me girl  
what do i tell you if you ask me y

[pre-chorus]

cuz Theres no easy way to break sombodys heart  
i need to tell you but i dont have the heart

[chorus]

but it doesnt mean that i dont love you  
[doesnt mean that i dont love you no more]  
and it doesnt mean that i wont miss you  
[that i wont miss you baby]  
even though we're apart  
save a place in your heart for me  
you'll always be my baby

[verse 3]

i know its hard right nowbut one day youll see  
that youll find some one who'd love you like u need to be  
its okay if u forget about me  
where ever you are in this world  
you'll always be my girl

[chorus x2]

but it doesnt mean that i dont love you  
and it doesnt mean that i wont miss you  
even though we're apart  
save a place in your heart for me  
you'll always be my baby
