

Brian McKnight, Rest Of My Life

It's 3 in the morning
I can't be dreaming
I'm wide awake
watching you sleeping
and I realize
there's no place
that I'd rather be

I reach out to touch you
my heart starts to race
at the touch of your skin
there ain't no mistake and I'm lost in your eyes
I see all that I need to see
I'm feeling new things everytime that I hold you
I'm telling you things
I would never have told you

[hook:]
I'm feeling my feet coming off
off the ground
I wasn't looking
But look what I found
I wasn't so sure at the start
Now I wanna be there wherever you are
and I can't deny
How you got me feeling inside

[chorus:]
If you think this is
as good as it gets
I swear you haven't seen nothing yet
I promise you I'm
gonna love you
the rest of my life
My life

You turned a kiss when
no one could find the taste of your lips
I get so excited
I'm losing my mind
The way that
it's supposed to be
mmmmmm
Everything that we do
Is a thing worth repeating
I only think of you
When my heart is beating

[hook:]
I'm feeling my feet coming off
off the ground
I wasn't looking
But look what I found
I wasn't so sure at the start
Now I wanna be there wherever you are
and I can't deny
How you got me feeling inside

[chorus:]
If you think this is
as good as it gets
I swear you haven't seen nothing yet
I promise you I'm

gonna love you
the rest of my life

[bridge:]
You cannot show
through the pain
I didnt know what I wnated
Thank you for changing my life

I wasn't so sure at the start
Now I wanna be there wherever you are
and I can't deny
How you got me feeling inside

[chorus:]
If you think this is
as good as it gets
I swear you haven't seen nothing yet
I promise you I'm
gonna love you
the rest of my life
My life

It's 3 in the morning
I can't be dreaming
I' m wide awake
watching you sleeping
and I realise
there's no place
that I'd rather be
