

# Brian McKnight, Someday, Someway, Somehow

I tried to pull myself together  
One lie tore us apart  
We left so many words unspoken  
You walked away with my heart

And I cried, I cried  
Heaven knows how much I cried  
Could you find the strength within you  
to give me one more try?

If I called you would you believe what I have to say?  
And if I saw you would you turn and walk away?

If I had my way girl  
you'd be with me right now  
someday, someday, somehow  
someday, someday, somehow

I thought I could go on without you  
Guess what? - I was so wrong  
And I realize how much I really love you  
And it's been far too long

I know you cried, you cried  
Heaven knows how much you cried  
But can you find the strength within you  
to give me one more try?

If I called you would you believe what I have to say?  
And if I saw you would you turn and walk away?

If I had my way girl  
you'd be with me right now  
someday, someday, somehow

So c'mon,  
Don't I get my one mistake?  
Let's forget about yesterday.  
For tomorrow I know we found  
What's at the end of the rainbow  
And it's meant to be, it's meant to be

If I called you would you believe what I have to say?  
And if I saw you would you turn and walk away?

If I had my way girl  
you'd be with me right now  
someday, someday, somehow
