

Brian McKnight, Stay The Night

Nah nah,nah,nah,nah
Nah,nah,nah nah uho uho
Ho ho ho

I want you so-----
Du du du du du du du hun----

Try to say, how I feel
When I'm holding you close to me
But my temperature, rises so I can hardly-- believe
That, finally you came to me
We made loneliness our enemy don't go, don't you know----

Chorus:
Feels so right, and I can hold you longer
If you stay, the night, oh--- oh oh uh
The time, is right
And we will grow much stronger
If you stay the night
Tonight pretty baby

(Stay-----the night, oh oh)

Words cannot, express to you
How I'm burning up, deep inside
I took one look, and I knew
This was a feeling I couldn't fight
But now---- that you're here with me
Now---- that you're here with me, hey
Let's make togetherness our destiny
Don't----- go----ho ho ho ho

Chorus:
Feels so right, and I can hold you longer
If you stay, the night, oh--- oh oh uh
The time is right
And we will grow much stronger
If you stay the night
Tonight with me baby

At---- the start---- I thought, it was too good to be true but
Know I know that, all along
It should have been me and you
Ho hu hu ho
At---- the---- start I thought it was too good to be true but
know I know that, all along
It should have been me and you----

Feels, so right
Hu hu hu, hu hu hu,
You stay, the night
The time, is right
Hu hu hu, hu hu hu,
Stay the night

Chorus:
Feels so right, but I can hold you longer
If you stay, the night, oh---- oh oh uh
The time is right

And we will grow much stronger
If you stay the night

It feels so right-----
