

# Brian McKnight, When Will I See You Again

## [Verse 1]

Can't believe the daily news  
It's mostly bad its sad, but true  
I realize how close the end is near (mmm)  
The world is sinking down so low  
More wicked than the days of Noah  
Lord we need you now that much is true

## [Hook]

Lord you said that you would come  
And wipe away all tears, oh Lord (oh Lord)  
It's been two thousand years since you were here

## [Chorus]

Lord since you've been gone, everything's gone wrong  
Just like you said that it would do  
But Lord I still believe  
You're comin back for me  
To take me home to live with you  
Waitin day and night, for you to crack the sky  
We're comin to the end, tell me when  
Will I see you again, my Lord  
Tell me when, will I see you again...

## [Verse 2]

So many have no place to stay  
Our children have no place to play  
It's against the law to pray in school  
I'm waiting for the day to come when  
Every eye shall see the sun till  
Then I'm gonna do what I gotta do (ooh)

## [Hook]

Lord you said that you would come  
And wipe away all tears, oh Lord (oh Lord)  
It's been two thousand years since you were here...

## [Chorus]

Lord since you've been gone, everything's gone wrong  
Just like you said that it would do  
But Lord I still believe  
You're comin back for me  
To take me home to live with you  
Waitin day and night, for you to crack the sky  
We're comin to the end, tell me when  
Will I see you again, my Lord  
Tell me when, will I see you again...

## [Bridge]

You died for us, wants before  
Sacrificed your life upon the cross  
Oh Lord will you be comin in  
The noon day sky  
Or will you arrive like a thief in the night!

## [Chorus]

Lord since you've been gone, everything's gone wrong  
Just like you said that it would do  
But Lord I still believe  
You're comin back for me  
To take me home to live with you  
Waitin day and night, for you to grab the sky  
I know we're comin to the end, tell me when  
Will I see you again, my Lord

Tell me when, will I see you again

(Piano playing only with Brian McKnight and Fred Hammond)

[Chorus]

Lord since you've been gone, everything's gone wrong

Just like you said that it would do

But Lord I still believe

You're comin back for me

To take me home to live with you

Waitin day and night, for you to crack the sky

Now we're comin to the end, tell me when

Will I see you again, my Lord

Tell me when, will I see you...

Again...

(When will I see you again...?)
