

Brian McKnight, Whenever You Call

[verse 1]

Love wondered inside
Stronger than you
Stronger than I
And now that it has begun
We cannot turn back
We can only turn into one

[chorus]

I won't ever be too
Far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
That part of you so tender
I'll be the one to catch your fall
Whenever you call

[verse 2]

And I'm truly inspired
Finding my soul there in your eyes
And you have opened my heart
And lifted me inside
By showing me yourself, undisguised

[chorus]

I won't ever be too
Far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
That part of you so tender
I'll be the one to catch your fall
Whenever you call

[bridge]

And I will breathe for you each day
Comfort you through all the pain
Gently kiss your fears away
You can turn to me and cry
Always understand that I
Give you all I have inside

[chorus]

I won't ever be too
Far away to feel you
And I won't hesitate at all
Whenever you call
I won't ever
Be too far to feel you
And I'll always remember
That part of you so tender
I'll be the one to catch your fall
Whenever you call
