

Brian McKnight, Where Do We Go From Here

I found an old photograph
I couldn't help but laugh
I remember that day and it was the best of times
You were my first, my beginning and my end
Am I losing my best friend?
Am I coming or going and if this is goodbye

chorus

Then now, where do we go from here?
When everything seemed so clear
Will I be left with the pain, standing all alone,
out in the rain
Ooh, after the love is gone
When everything right turned wrong
And where do we go from here?

Love, have I run out of time?
You said you'd always be mine
It's hard to believe that somehow we've grown apart
Why-the way that things have been
It just don't make no sense
I'm so unprepared for the way I feel inside

chorus

What happened to the flame?
It don't feel the same
I don't know what to say--to say

chorus 2x
