

Brian McKnight, You Should Be Mine (Dont Wast

Mase:

Mase, and Brian McKnight, Bad Boy

C'mon

Bad Boy We don't stop, we rock we rock

Yo

I hit you with the sound that the world can't take

Came straight out the gate playing 2.8

Real studded jewel funded

Got to love it

First rap cat with the R&B budget

Every day on the TV me and PD

Girl's so pretty, make their man break the CD

Why y'all forever roudy

I be out here somewhere in Maui

Till I go back to Cali

Brian:

Can't understand how he can treat you the way that he does

Give me the chance to show you baby, your better off with me

(OOh, so will you let me try

I wanna make you smile)

I wanna love you like you need to be loved

(I wont ever let you down

I'll always be around)

And you should be mine

(He don't love you right

Don't waste your time

Don't waste your time)

If he don't treat you like he should (no baby)

than You should be mine

You should be mine, baby

Why can't you see

You should be happy

And I don't know why you don't believe a man can love you for the

rest of your life

(So baby let me try

I wanna make you smile)

I wanna love you like you need to be loved

(I'll never let you down

I'll always be around)

And you should be mine

If he don't love you right (Ooh)

Don't waste your time

Don't waste your time

If he don't treat you like he should (now)

Then you should be mine

You should be mine (Ooh ooh)

Mase:

Yo!

What the deal honey

Insecure feel funny

I know you're used to dealin' with cats with real money

Plus I know you're like Mase in alot of ways

But it's hard to go on when you're lonely in the holidays

When you shopping did you shop for 2

Uh!

Take you where the waters aqua blue

Let you fall back

Treat you like you're all that

Under umbrellas with your shades and your straw hat

You ain't the one out clubbing all day and all night

Just to save a fight
Or say he's right
And I know he ain't the cat that will stay in you life
Even though he gave you ice gown that will make you his wife
How a man deserve you if he hurt you
Then he give a woman 25 a curfew
Between me and you, you ain't heard that from me
Cuz Mase ain't the player with the PhD

Brian:
Girl come into my world
I love you the way that you need to be loved
No worries, no more
Girl open the door
And don't waste your time
Cuz you should be mine
If he don't love you right (ooh baby)
Don't waste your time (don't waste your time)
If he don't treat you like he should (ooh)
You should be mine (should be mine, baby baby)
If he don't love you right
Don't waste your time (don't waste your time)

Repeat and fade out..
