

# Brian Tice, So Much More

CHORUS:

So much more than one decision in a lifetime. So much more.  
So much more than just a one-time prayer, so much more than cheap grace. So much more.  
So much more than just worshiping Him on Sunday mornings. So much more.  
So much more than one decision in a lifetime. So much more.

What it means to be a Christian oh, it's so much more. So much more.  
It breaks my heart to see our churches filled with so many lost souls. Too many to ignore  
Those whose faith is truly genuine, they strive to live more like Yeshua. Live more like Jesus.  
But it's so few who truly realize that it's so much more.

Following the Living Torah is our Calling. Following Yeshua.  
We're called to be His hands and feet to the world in which we're living. This sin-sick world of ours  
Oh, to be Yeshua's face to all who haven't yet received Him. Haven't yet trusted in Him  
So much more than one decision in a lifetime. So much more.

CHORUS

Fasting and praying that His Will might be revealed. And guide us all of our days.  
Confessing our transgressions, and submitting to His Ways. Submitting to G-d's ways.  
All to grow in grace and knowledge and maturity of faith. Just to be more like Him.  
So much more than one decision in a lifetime. So much more.
