

# Brian Wilson, Let's Do It Again

Don't look now but the handwriting's on the wall  
You can run, you can hide, but it won't do no good at all  
I've got you in my heart every night and day  
I'm sayin' my prayers that we're all gonna find a way  
It's better now

When love's got an eye on you  
Then love's gonna see you through  
We couldn't find it for some time  
But now I see it in your eye  
Let's do it again  
Let's do it again  
The little things  
That mean so much  
To me

Can't be scared of the world that might someday be  
Gotta love somebody knowin' love's gonna keep us free  
You touch my heart and my fears just melt away  
You hold my hand and it's easier today  
It's better now

When love's got an eye on you

There's nothin' that you gotta do  
The clouds just up and go away  
It's easier from day to day  
Let's do it again  
Let's do it again  
The little things  
That mean so much  
To me yeah

Let's do it  
Let's do it again  
Let's do it  
Let's do it again  
Let's do it  
Let's do it again  
Let's do it  
Let's do it again  
Let's do it  
Let's do it again  
Let's do it  
Let's do it again  
Let's do it  
Let's do it again
